

Né en 1907 [Solvay Alumni](#) est le réseau des Alumni de la **Solvay Brussels School of Economics and Management** &
de la
Solvay Business School

La mission de SolvayAlumni vise à fournir à ses 20.000 anciens des possibilités de réseautage professionnel.

Le projet de SolvayAlumni était ambitieux puisqu'il visait à créer un site web communautaire alliant gestion d'un directory, des évènements, automatisations et modularité.

Le site web est désormais en ligne – www.solvay-alumni.net – et l'intégration CMS-CRM rencontre pleinement les objectifs définis en permettant de gérer les profils des membres de SolvayAlumni, ainsi que les évènements et les newsletters.

Le paiement en ligne est possible pour l'inscription aux évènements.
Ce paiement est assuré via une intégration Ogone.
